Consumable Advice	A 75% ethanol alcohol-based with a PH level between 4.3~8.3 should be used in this dispenser to ensure the dispenser performs at an optimal level. <i>* Any liquids not within these ranges may cause the unit to operate at a sub-optimal level, fail or damage the unit and could void the Metlam Australia product warranty.</i>
Note:	Basic assembly required Hygiene Station Sticker Optional (as shown in product images on this page)
	It is recommended that the Sanitiser Dispenser Unit is fixed to the Hygiene Stand using the mounting holes and screws provided. The use of double-sided tape only is not recommended as a secure method of fixing the Sanitiser Dispenser to the Hygiene Stand and any damage caused by improper installation may void the product warranty.
